

SF545

Heritage has always been an underlying ingredient to the Haines Hunter philosophy. The boatbuilding skills that span generations, the old fashioned principles of pride in workmanship, while at the same time embracing the latest technologies available in the fiberglass boatbuilding industry, the blend of time proven “Hand Laid” construction with ‘High Performance Infusion” laminating. These components form part of the “All New” SF545 Haines Hunter.

This NEW SF545 Haines Hunter carries on the famous Haines Hunter traditions of quality from stem to stern. The heavy duty brass keel strip, the hand laid GRP hull, the PVC foam core deck, class leading upholstery trim, ergonomic dashboard design plus many other features set this boat apart from all others. The GRP cockpit liner will have instant appeal to the blood and guts brigade and with so much more cockpit space this boat will accommodate all of your boating needs.

Step onboard and appreciate how much space this SF545 has. Fishing, water sports or cruising, this NEW model has been carefully created to tick all the boxes. Designed to perform with 115HP and be towed on a single axle trailer the SF545 Haines Hunter will exceed your expectations. Appreciate the quality and appreciate “The Ride”.

HAINES HUNTER™

THE SECRET IS IN THE RIDE

SF545
